Nominations for Valor or Valiant Teamwork Awards for 2020 & 2021

***Valor – an incident in which one or two officers demonstrated a specific act of valor at perilous risk of his/her life which is specifically defined and documented in the report of the event immediately after the event occurred.***

***Valiant Teamwork\* – awarded to a team of two or more individuals who performed a specific act of conspicuous heroism at perilous risk of his/her life which is specifically defined and documented in the report of the event immediately after the event occurred.***

\* Note: it is not enough to merely have been present, a member of the team or a supervisor overseeing the operation, to be eligible for this award. An individual has to have taken a specific action as defined above to be considered for this award.

\* It is also important to note that life-saving incidents will not be considered unless the nominee performed the act of valor while exposing themselves to life-threatening injuries or possible death.
